

On Saturday, I joined the Waukegan police Neighborhood Enforcement Team who delivered a search warrant for narcotics. Waukegan's police include some of the bravest Americans I have ever met, keeping us safe from four major drug gangs and others who would harm us. Recently, I delivered a \$100,000 federal check to Mayor Hyde and Chief Biang to help in their work for our team. We also welcomed Mark Schaffer and two additional federal ATF agents who have been assigned to beef up our attack on suburban gangs.
